DISCUSSION WITH DEPUTY SHERIFF TODD ENDL REGARDING DOG TRAINING  
REQUIREMENTS

Dane County Deputy Sheriff Todd Endl and the Board discussed their concerns regarding the lack of standards for training police service dogs for drug detection, and who should be allowed to possess controlled substances to facilitate this training. Membership in USPCA or NAPWDA does not ensure competency. Deputy Sheriff Endl said his department purchases their dogs from an Indiana trainer who is certified in that state. Deputy Sheriff Endl will provide the name of the

Indiana trainer to LeeAnn Cooper so that she may get further information on trainer certification in Indiana.

MOTION: Thomas Rudy moved, seconded by Robert Sloey, to remove from the SUA application the current requirement for either USPCA or NAPWDA membership for dog trainers. Motion carried unanimously.

#### CREATING A STATUTORY EXCEPTION FOR GBL VIA RULEMAKING

The law as currently written presents a problem because many business are using GBL for legitimate purposes, but under the current Wisconsin law it is illegal to possess GBL.

MOTION: Thomas Rudy moved, seconded by Robert Sloey, to have legal counsel redraft the scope statement to delete GBL from the current rules, and to authorize Cynthia Benning to review the redrafted scope statement when completed. Upon Ms. Benning's approval, the scope statement will be published. Motion carried unanimously.

#### APPROVAL OF RULE TO SEND TO CLEARINGHOUSE TO CLASSIFY DIHYDROETORPHINE AS A SCHEDULE II CONTROLLED SUBSTANCE

MOTION: Roma Rowlands moved, seconded by Yvonne Bellay, to send the rule to classify dihydroetorphine as a Schedule II controlled substance to the Legislative Clearinghouse. Motion carried unanimously.

#### APPEARANCE BY ALISON JARVIS, DVM, UW-MEDICAL SCHOOL

Alison Jarvis, DVM, UW-Medical School, appeared before the Board to discuss the use of controlled substances by animal researchers at the Medical School. Dr. Jarvis is in charge of the research animals but does not do the research. Dr. Jarvis said she writes prescriptions for controlled substances as needed and if it is appropriate on the research protocol. Dr. Jarvis has strict controls in place for controlled substances. All researchers must log their usage and must return the bottle when they are finished with the drug. The Board thanked Dr. Jarvis for the information she presented.

#### SPECIAL USE AUTHORIZATION APPLICATIONS

##### WILLIAM E. CULLINAN, PHD

MOTION: Thomas Rudy moved, seconded by Roma Rowlands, to approve the SUA application of William E. Cullinan, PHD, with the amendment that Pentobarbital Sodium is 5 grams. Motion carried unanimously.

##### JOSEPH G VOLZ

MOTION: Thomas Rudy moved, seconded by Yvonne Bellay, to approve the SUA application of Joseph G. Volz. Motion carried unanimously.

## ALLISON L STARK

MOTION: Thomas Rudy moved, seconded by Yvonne Bellay, to recommend approval of the SUA renewal application of Allison L. Stark contingent upon meeting the requirements outlined regarding the quantities, and Yvonne Bellay will review the quantities. Subsequent to Dr. Bellay's approval, a letter is to be sent to Allison Stark outlining the problems in the past and that these problems need to be corrected. Motion carried unanimously.
